

REMARKS

1. General

Claims 30 - 43 are pending in the application (Claims 1 - 29 were canceled in a Preliminary Amendment). The Examiner has rejected Claims 30 - 43 under obviousness-type double patenting over U.S. Patent No. 5,886,303 (Claims 1 - 14) in view of **Maki Jr.**

2. Response on Rejection of Claims 30 - 43.

The Examiner has rejected Claims 30 - 43 under obviousness-type double patenting over U.S. Patent No. 5,886,303 (Claims 1 - 14) in view of **Maki Jr.**

Applicant has entered herein a Terminal Disclaimer to the commonly owned U.S. Patent No. 5,886,303. Applicant believes this to be a complete response to the Examiner's rejection and requests allowance of the claims as pending.

SUMMARY/CONCLUSION

Applicant respectfully requests reconsideration of the claims and their passage to allowance. Should any further impediments to allowance remain, Applicant requests that the Examiner contact the undersigned attorney at the indicated phone number.

Respectfully submitted,
